PLEDGE OF ALLEGIANCE

MOMENT OF SILENCE: Our troops and their families, Dennis Witkowski and Nancy Fox

WORKSHOP DISCUSSION:

- Mediterranean Development
 - o Ed Russo and his architect Dean Marchetto gave a presentation on their proposal for the Belmar Motor Lodge/Waterview Pavilion site. The project consists of studio, one- and two-bedroom apartments, a restaurant with a rooftop bar, retail and a parking garage. Councilman Brennan was concerned about parking being underground and flooding. The buildings would be built to FEMA standards. Councilman Brennan asked if a hotel was considered for the site. They felt there was not a demand for a hotel based on their market study. Councilman Carvelli was concerned about the ratio of studio and one- and two-bedroom apartments. Questioned why there weren't more with two bedrooms. He asked about rental vs condo. They felt apartments were more in demand and more affordable. Councilman McCracken thought a condo/hotel option would be nice. Jen Beahmn, Borough Planner/Engineer, stated the proposal doesn't conform to the redevelopment plan because of the height and parking. Jerry Freda, Borough Engineer, stated there will need to be water/sewer improvements for the project. The redevelopment plan would have to be amended should the Mayor and Council decide to move forward with this project.
 - o Public:
 - Cheri Russo, 1218 Briarwood Road, suggested a stop light but that could not be done because the 8th and 10th Avenue stop lights are too close. She was concerned about flooding onto neighboring properties.
 - Lisa Miller, 314 5th Avenue, asked if a study on the water system was done. They will have to obtain all town and DEP approvals and will have to demonstrate the system is adequate or work with the Borough on improvements.
 - Gerald Buccafusco, 409 5th Avenue, sought clarification on access to the property.
- Ryan Dullea, Fire Administrator, gave an update on EMS services. The Borough is still on track to provide services April 1st with a paid and volunteer staff. Councilman McCracken felt there was a lot of misinformation out about the First Aid and suggested everyone read the letters posted on the website about it. He was disappointed the First Aid would not donate vehicles to the Borough.
- Lt. Mike Campbell announced the Easter Bunny would be visiting Belmar on March 27th.

PUBLIC SESSION

Ed Lippincott, 305 4th Avenue, felt the proposal for the Motor Lodge property is massive. The site needs to be redeveloped but we don't need more apartments. Would like to see a hotel with a conference center.

John Walsh, 11th Avenue, asked for clarification on how much money the First Aid asked for last year. Mayor Walsifer stated they asked for \$70,000.

Bob Lynch, 319 9th Avenue, asked where all the First Aid Equipment will be stored. It will be stored at DPW and the 10th Avenue Pavilion.

Linda Sharkus, 4th Avenue, agrees with redevelopment but the proposal is too many units. Seems like it would be a traffic nightmare. She would like to see a walking bridge over Route 35.

John Turk, 105 6th Avenue, was opposed to paid parking at Silver Lake.

Cheri Russo, 1218 Briarwood Road, asked for clarification on the animal house ordinance.
