

Home Landscaping Presentation

How to Select Trees, Shrubs, and Flowers to
Create Your Own Home Ecosystem

Belmar Borough Library

Tuesday March 19, 2024 - 5:30-7:00pm

Registration is free,

NJ Community Forestry CEU's (1.5) are offered

Presentation by Bill Brash

NJ Approved Consulting Forester

Licensed Tree Expert #375

Municipal Forester

Learn about Mourning Cloak
Butterflies and how you can
enhance habitat and attract these
native butterflies

Did you know that Moths and
Butterflies share the same
habitat, but occupy that
habitat at different times of
the day?

Learn to tell the difference
between male and female
Tiger Swallowtails

It's Easy!
